<u>To whom it may concern</u>

This letter is to confirm and appreciate the diligent efforts of Aadya Sharma, a grade 10th student of Modern Delhi Public school, Faridabad. She interned with our organization, iTriangle Infotech Pvt Ltd for 3 weeks from 09th June'22 to 30th June'22.

iTriangle Infotech Pvt Ltd (https://www.itriangle.in), a Bangalore-based organization, commenced operations in 2009 and is currently a leading Indian player in the domain of Vehicle Telematics and is the largest Indian manufacturer of Vehicle Telematics Hardware.

During her internship, Aadya assisted in designing, developing, and testing electronic circuits and systems, gaining hands-on experience with industry-standard tools and equipment. She understood and gained knowledge on the entire project lifecycle from concept to deployment. Buoyed with zeal, she supported the team showcasing her problem-solving skills and technical proficiency.

Aadya's dedication and motivation were evident in her approach to her work. She consistently sought guidance from the project team to improve her performance, demonstrating her commitment to learning and growth. Aadya's innovative thinking and excellent flair for electrical engineering brought a fresh perspective to our team, and we were delighted with her contributions.

I evaluate Aadya as intelligent, inquisitive, enthusiastic, and determined to achieve her goals, as well as someone with immense potential. She would be a great asset wherever she undertakes any responsibilities, and I am confident she will continue to excel in her academic and professional journey.

We wish her good luck in all her future endeavours.

Warm Regards,

Vadiraj S Katti
